Respect the Space

- Replace tools when not using them so that others can play too.
- Do not steal or borrow articles within the space for personal use.
- If you don't know what it is, how to use it, or where it goes, ask someone
- Ensure you always leave time to clean up after yourself and others, and then do so
- If you have to leave in the middle of a project, put pieces into a small bag and attach it to the bike
- Personal projects may be kept at the BCBC for a maximum of one day; however, this is highly discouraged due to lack of space and the concern for theft.
- Label your bike with your name, phone number, and the last date you worked on it.
- Do not force tools and use them only for their intended use. If you need help or guidance, ask someone! It's what we're here for!
